## INTRODUCTION

This is the **'Play'** button. Press the glowing **'Play'** button to start the introduction to the app.

After pressing the **'Play'** button, an interactive version of the opening sequence of the TV show will begin.

You will be prompted by the narrator to *'take the little sail down'*, *'light the little light'* and to *'touch Igglepiggle's boat to watch him sail out of sight'*.

Touching  at any stage will allow you to skip this interactive section and move straight to the **Main Menu**.

## MAIN MENU

It's now time to jump aboard the *Ninky Nonk* with your favourite characters – *Igglepiggle*, *Upsy Daisy*, *Makka Pakka* and the *Tomliboos*.

Press any of the **Characters** to choose the game you want to play.

*Igglepiggle's Stepping Stones*

*Makka Pakka's Face Wash*

*Tomliboos Building Blocks*

*Upsy Daisy Colouring In*

*All Aboard the Ninky Nonk*

## IGGLEPIGGLE'S STEPPING STONES

*Igglepiggle* is in the garden and has come across five stepping-stones and a tiddle! Touch a stone to make *Igglepiggle* jump to that stone. The stone will make a funny sound. See what different funny noises you can find and touch the tiddle to see what happens? Have fun playing for as long as you like.

When you've finished playing stepping stones, touch the  button to see *Igglepiggle's* dance.

Touch the  button to end the game and return straight to the **Main Menu** screen where you can choose another game.

## MAKKA PAKKA'S FACE WASH

*Makka Pakka* is in the garden and he is going to wash his friends' faces.

Choose which face you want to wash by touching *Igglepiggle*, *The Tombliboos* or *Upsy Daisy*.

First touch the soap and rub it on the sponge to make soapy bubbles.

Then touch the sponge and rub it all over your favourite character's face.

Now touch the soapy bubbles to make them go **POP**

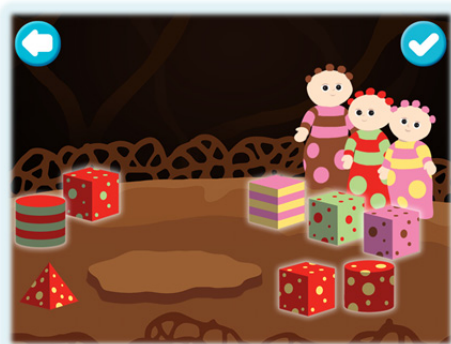

Touch the  button at any time to return to the character selection screen so you can choose another face to wash.

When you've finished helping *Makka Pakka* wash faces, touch the  button to see *Makka Pakka's* dance.

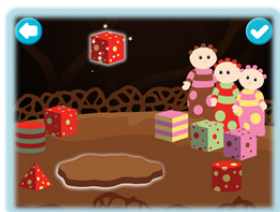

## TOMLIBOOS BUILDING BLOCKS

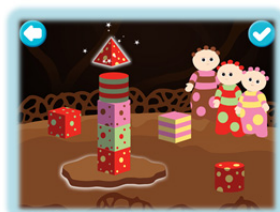

The *Tomliboos* are playing with their building blocks. See if you can help them build a tower.

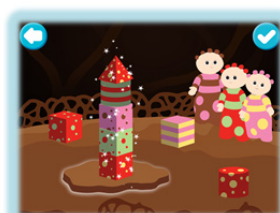

Build a tower by dropping blocks on top of one another above the *Tomliboo's* platform. Start by touching a glowing block.

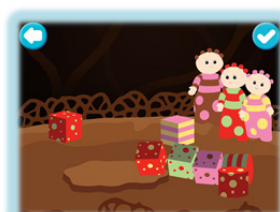

Touch above the platform to make the block drop.

Keep touching the glowing blocks until you have made a tower of 5 bricks.

The pointed brick goes on the top of the tower and can only be selected as the last brick.

Now touch the tower to knock it down!

When you've finished building towers touch the  button to see the *Tomliboo's* dance.

Touch the  button to end the game and return straight to the **Main Menu** screen where you can choose another game.

## UPSY DAISY COLOURING IN

Here's *Upsy Daisy* but she is looking very pale! Can you make her all bright and colourful?

Colour *Upsy Daisy* all over with the crayon to colour in the pink.

Now colour in the orange, yellow, red and *Upsy Daisy's* face and hands.

Touch *Upsy Daisy* to stamp the flowers on her top.

Now pull *Upsy Daisy's* cord to see her dance.

Touch the  button to end the game and return straight to the **Main Menu** screen where you can choose another game.

## ALL ABOARD THE NINKY NONK

Everyone is going for a ride in the *Ninky Nonk*. Help them collect their favourite things.

Touch the screen to make the *Ninky Nonk* go. The faster you tap the screen, the faster the *Ninky Nonk* goes. Stop tapping to make the *Ninky Nonk* stop.

Touch *Igglepiggle's* ball, *Upsy Daisy's* megaphone, *Makka Pakka's* Og-Pop and the *Tombliboo's* trousers when they appear to pick them up.

Touch the different carriages at any time to hear some fun sounds.

Touch the  button to end the game and return straight to the **Main Menu** screen where you can choose another game.
